08
Proposal
Word, retyped again

Eight hand-offs. The same facts typed into every one — and at a small firm, the PE is the one typing.

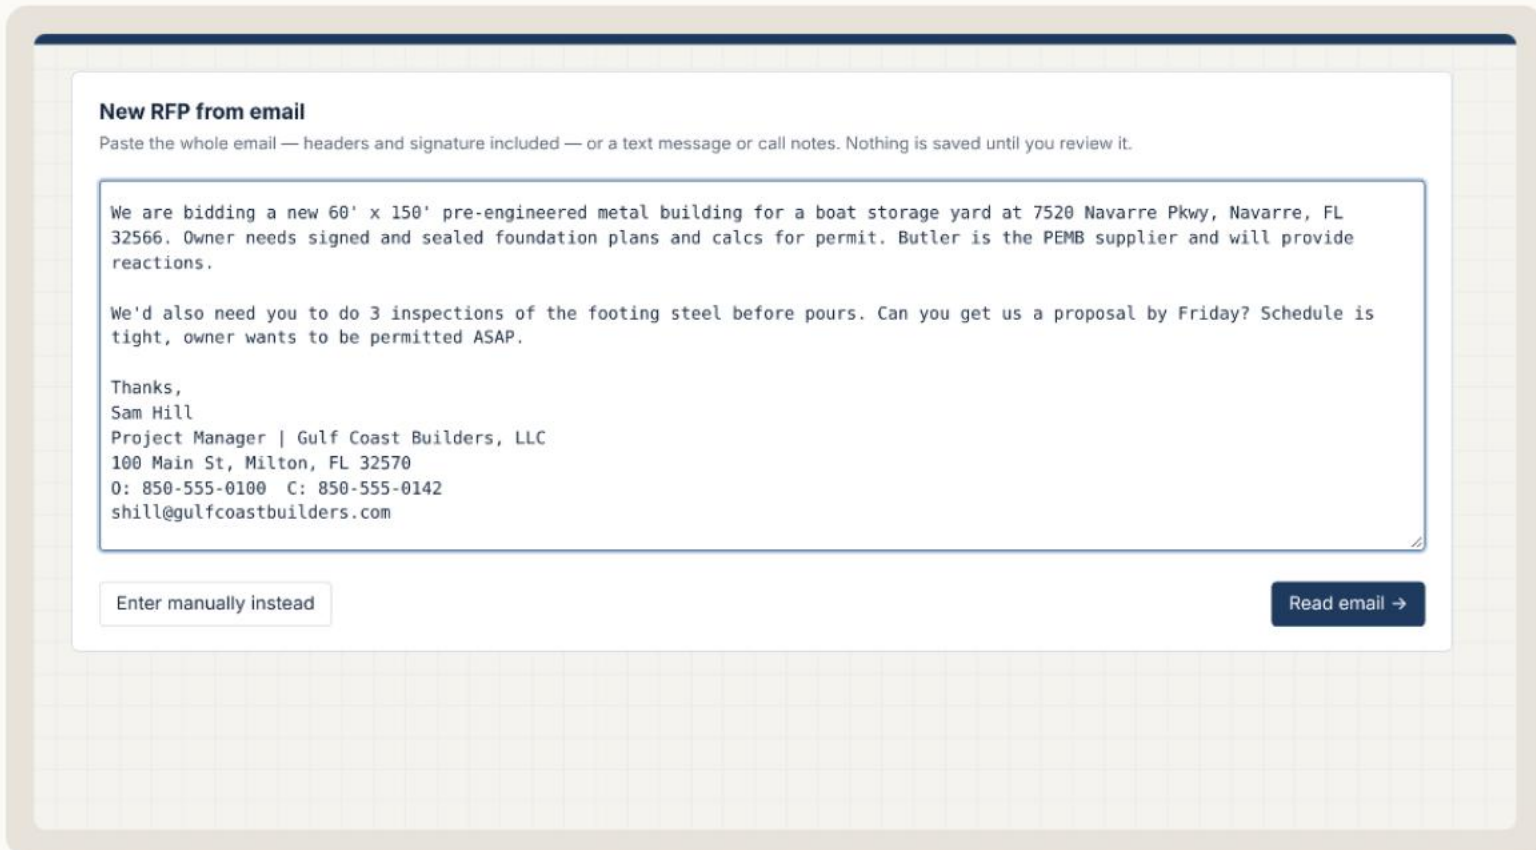

STEP 1 OF 4

Paste the email

Headers, signature, a forwarded thread — or a text message or call notes.

No form to fill in. No template to follow.

Nothing is saved until you review it.

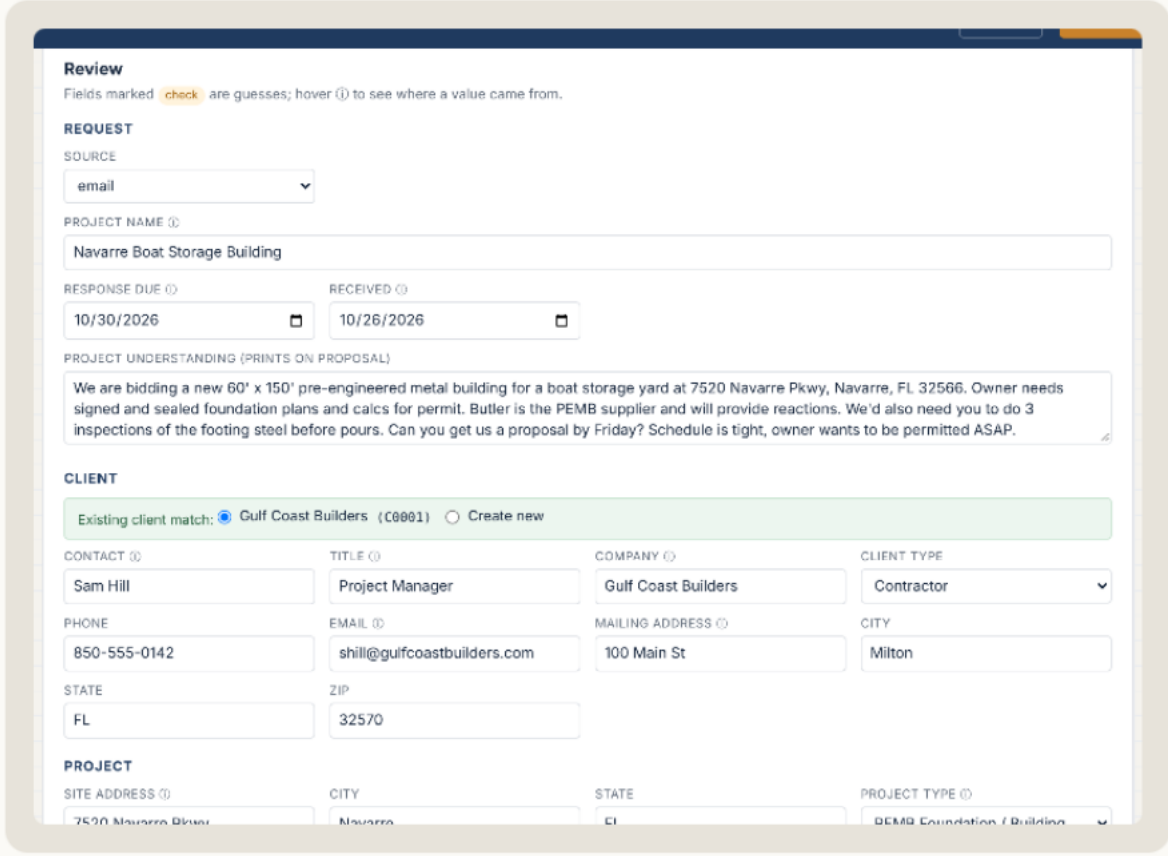

STEP 2 OF 4

Review what it found

Found	From
Sam Hill, Project Manager	signature
850-555-0142 (cell)	“C:” beats “O:”
Gulf Coast Builders	existing client, matched
7520 Navarre Pkwy, Navarre	body text
9,000 SF	60′ × 150′
PEMB foundation	“pre-engineered”
3 special inspections	“3 inspections”
Due Fri 10/30, Expedited	“by Friday”, “ASAP”

Guesses are flagged **check**. Fix anything, then one click.

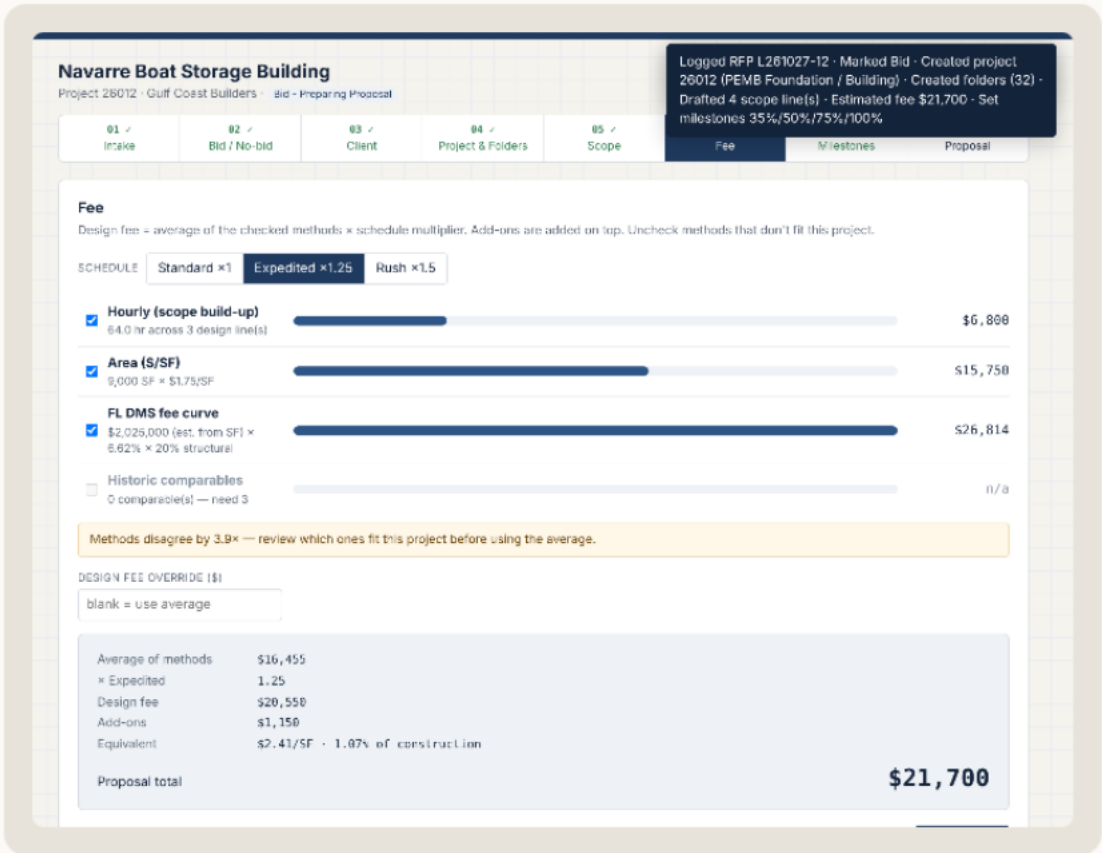

STEP 3 OF 4

One click: numbered, foldered, priced

26012	Next project number, checked against the drive
32	Folders built from your template
4 lines	Scope drafted, inspections priced each
4 methods	Hourly, $/SF, FL DMS curve, firm history
35→100%	Milestone dates, compressed for Expedited

When the methods disagree, it says so. The engineer still sets the fee.

STEP 4 OF 4

The proposal PDF, filed

Letterhead, project understanding, scope, schedule and billing, fee table, assumptions, exclusions, acceptance block.

Saved where it belongs

Into the project's Contract & Proposal folder, as R0, R1, R2...

Learns as you win

Won jobs feed fee history, the fourth pricing method.

Paste to PDF: **one paste, one review, two clicks.**

Re: Navarre Boat Storage Building — 7520 Navarre Pkwy, Navarre, FL (TNSE Project 26012)

Dear Sam,

True North Structural Engineering, LLC (TNSE) is pleased to submit this proposal to provide structural engineering services for the project described below.

1. PROJECT UNDERSTANDING

We are bidding a new 80' × 150' pre-engineered metal building for a boat storage yard at 7520 Navarre Pkwy, Navarre, FL 32566. Owner needs signed and sealed foundation plans and calcs for permit. Butler is the PEMB supplier and will provide reactions. We'd also need you to do 3 inspections of the footing steel before pours. Can you get us a proposal by Friday? Schedule is tight, owner wants to be permitted ASAP.

Project type: PEMB Foundation / Building · Approximate area: 9,000 SF · Schedule: Expedited

2. SCOPE OF SERVICES

TNSE will provide the following design services:

1. Structural Drawings
2. Structural Calculations
3. Drafting

The following services will be provided as requested and billed as performed:

- Special Inspection

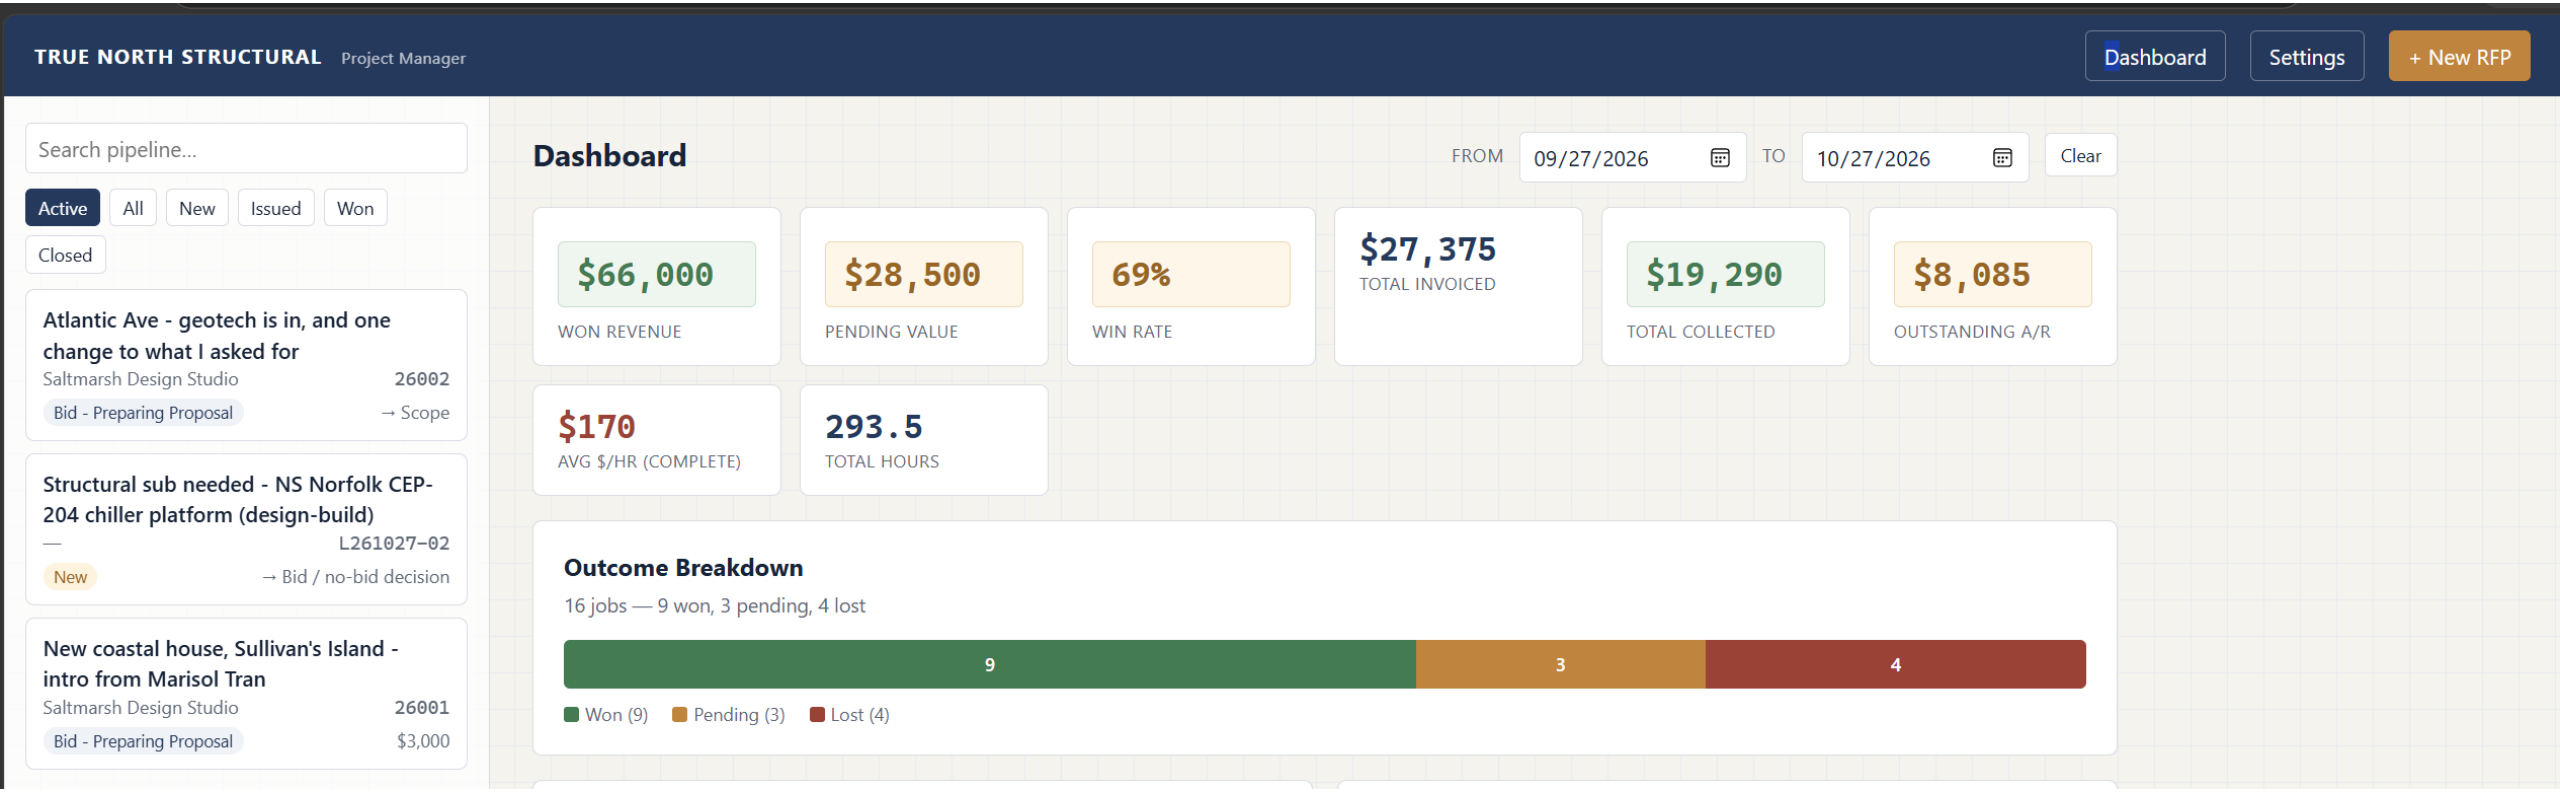

3. DELIVERABLES & SCHEDULE

Submittals will be issued at the following milestones:

Milestone	Target Date	Billing	Amount
35% Progress Set	November 5, 2026	35%	$7,193
50% Progress Set	November 11, 2026	15%	$3,083
75% Progress Set	November 21, 2026	25%	$5,138
100% Construction Documents	November 30, 2026	25%	$5,138
Design fee		**100%**	**$20,550**

Scope, dates assume timely receipt of required client information and are subject to reasonable durations outside TNSE's control.
